Installation instruction

Video

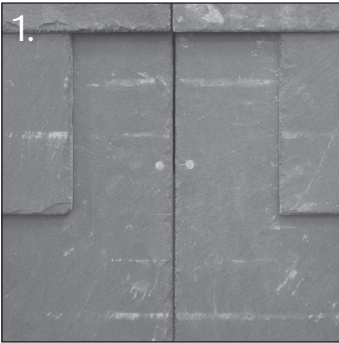

Montageanleitung beispielhaft für alle vier Hakentypen.

Montage nur durch Facharbeiter, die aktuellen Vorschriften für Dacheindeckungen und Herstellervorschriften sind dabei zu beachten.

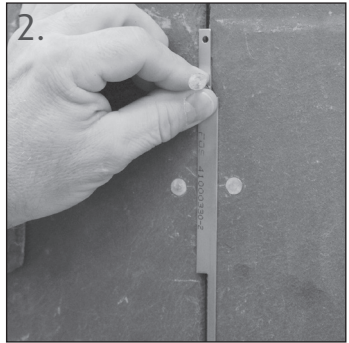

Installation instruction as an example for all four hook types.

Installation only by authorised professionals. Current laws and regulations for roof and storm protection must be observed.

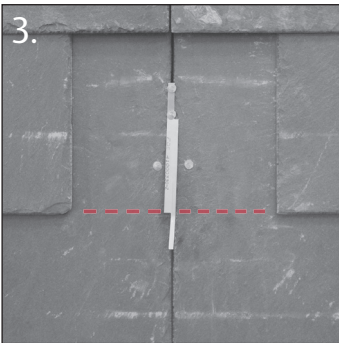

Defekte Schieferplatte entfernen.

Remove defective slate.

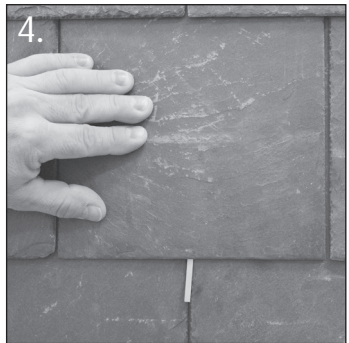

Reparaturhaken auf der Fuge bzw. Unterkonstruktion so befestigen, ...

Secure the repair hook in the gap or sub-construction ...

... dass der Haken unterhalb der Gebindelinie umgeknickt werden kann.

... so it lines up with dashline as shown.

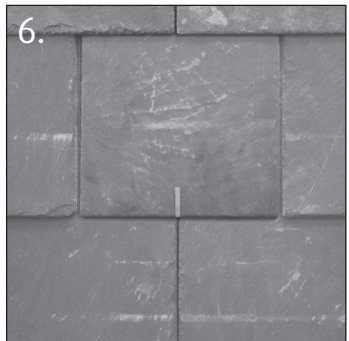

Schieferplatte einschieben ...

Insert slate plate ...

... und Haken umbiegen, ggf. kürzen.

... and bend hook and shorten if necessary.

Fertig.

Finished.
